EXECUTIVE STATEMENT

- We need a common point of reference for discussions on ethics and compliance in our company, and that is what the Code of Conduct offers.
- By asking everyone to take these measures, we aim to enhance the quality of our ethical decisions.
- Al Moudawi wants to give all employees the best possible conditions to act responsibly; therefore everyone receives regular compliance training.
- Anyone who is concerned about breaches of the Code of Conduct is instructed to discuss these with their manager. Al Moudawi does not accept any retaliation against anyone who raises a concern in good faith. By embracing these standards and continuously monitoring compliance, we will continue to uphold Al Moudawi's reputation as a respected and responsible pharmaceutical company.

OUR VALUES

Our values guide our actions and decision making, so we can work "Together for a better healthcare" with one goal in mind: to create a unified working process that provides people with safe and effective products to become the leading distribution company in Iraq.

▪ Al Moudawi Values

- Integrity: Honesty, diligence and reliability are the basis of all business.
- Respect: Supporting colleagues and communities around us.
- Diversity: Embrace diversity and individuality so we can all achieve great things.
- Transparency: Help us build trust with each other by being honest and open about how and what we do.
 - Our expectations
- Maximum Utilization of Resources: continuous development of competencies and procedures.
- Quality of Products and Services: deliver the best product and service.
- Speed of Operations: efficient, effective and timely work processes.
- Communications and Cooperation: Open, clear, accurate and timely communication.
- Accountability: Performance based on SMART objectives and relevant KPIs.

Al Moudawi's Internal Framework

- Documents, training and monitoring are the active elements in our Compliance Structure that is established to ensure we are doing the right thing and continually improve our compliance processes.

- Code of Conduct conveys Al Moudawi's commitments and the expectations to our employees for areas that are critical to the pharmaceutical industry. All employees and third parties working on behalf of Al Moudawi are obliged to observe the Code of Conduct, and adhere to the (ABAC) anti-bribery anti-corruption policy as part of our code of conduct.
- We want to make sure that the requirements are understood and the relevant parties know how to act. Therefore we communicate to maintain awareness and engage our employees in training activities.
- Our monitoring efforts aim to validate the understanding of the requirements and capture suggestions for improvements of processes and controls.

HOW TO RAISE A CONCERN

- We believe that an open and honest dialog is a fundamental part of our business and we encourage everyone to have ongoing conversation on compliance and ethical dilemmas. However, we realize that some dilemmas or concerns might not be discussed openly.
- If you believe a concern is not being properly addressed, you can approach the relevant Corporate Function e.g. HR & Legal:
- Please remember that failing to report a breach may in itself be a breach of the Code of Conduct. Willful violation will result in contract termination.

SPEAK UP

DEFINITIONS

Please note that the definitions in the Code of Conduct are local and may vary from global definitions:

- **BRIBERY** means to offer, promise, give or receive any undue pecuniary or other advantage, whether directly or through intermediaries, to obtain or retain business or other improper advantage.
- **CONFIDENTIAL INFORMATION** is business sensitive or critical information about e.g. products, processes, operations, production, sales or customers of which the unauthorized disclosure could cause damage to our interests or the interests of the party that the information pertains to.
- **CONFLICT OF INTEREST** is a situation in which the personal or private interests of an individual seem to collide or potentially could collide with the interests of Al Moudawi. Such conflicts of interest may be financial or non-financial interests, including but not limited to serving as a public official in a related decision-making capacity or having family connections to Al Moudawi employees.
- **Donation** is a voluntary contribution provided without receiving any benefit, compensation, favor or advantage in return

ISSUES THAT MAY AFFECT COMPETITION could be issues that affect price mechanisms, market shares or could create a monopoly or lead to abuse of a dominant market position. Issues that could require involvement of Corporate Legal include pricing policies, trading terms, pricing practices of distributors, marketing plans, profits, market shares, distribution practices, bids, production levels, boycotts, selection of customers, sales territories or cutting off.

- **PERSONAL DATA** is any information, which relates to a particular individual who is or can be identified including, but not limited to, name, personal address, e-mail addresses, performance appraisals, data concerning health, data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs or trade union membership. There are different categories of personal data, which result in different requirements relating to the collection, processing and transferring of personal data.
- **PHARMACOVIGILANCE** is the science and activities relating to the detection, assessment, understanding and prevention of adverse effects or any other medicine-related problem.
- **PROMOTION** is any activity undertaken, organized or sponsored by or on behalf of a pharmaceutical company, which promotes the prescription, supply, sale, administration, recommendation or consumption of its medicinal products. Also providing no promotional information in a promotional context, e.g. presenting strictly scientific information or disease awareness at a promotional event, is promotion.
- **SUPPLIER** is a legal entity that invoices Al Moudawi directly or indirectly for a product or service. This definition includes the narrower subset of suppliers that are third parties to Al Moudawi.
- **THIRD PARTIES** are professionals and entities performing activities within Al Moudawi's core business areas either on behalf of or in the material interest of Al Moudawi.

RESPONSIBLE AND TRANSPARENT INTERACTIONS

We engage with clients/customers as part of our business and because it is essential for us to understand their expectations, needs and concerns with regard to our activities and the related impact on society. These interactions are kept appropriate, transparent and free of any undue influence or conflicts of interests.
